

BIP Data Analytics for Sustainable Finance - prodloužený termín přihlášek

10.2.2026 - Barbora Holková | Institut ekonomických studií FSV UK

We are excited to announce the Blended Intensive Program (BIP) on Data Analytics for Sustainable Finance, organized by the University of Udine in partnership with TH Köln, University of Maribor, University of Münster, University of Zagreb, University of Udine and several leading financial institutions. BIP is a new short mobility experience within the Erasmus+ program, which combines remote learning and interactive in-person learning, bringing together students from several universities and countries.

Program Details:

Main Topic: Data Analytics for Sustainable Finance, including practical work on Bloomberg Terminal. **Target Participants:** 2nd and 3rd-year Bachelor's level students with intermediate knowledge of Data Analytics. **Number of Slots:** A maximum of 5 students from IES FSV UK. **Credits:** The program awards **6 ECTS** in elective courses towards your degree.

Program Structure:

- Online session in April
- One-week onsite program from **May 25th to May 30th in Pordenone, Italy**
- Online exam

For more details, please see the general information.

Costs:

- Accommodation, meals, and travel costs are covered by participants.
- **Students are eligible for Erasmus+ support: €79/day + €211 (or 285€ in case of Green Erasmus) to cover travel cost**
- Hotel accommodation: Rooms in a hotel nearby are secured for participants (€45/night).

How to Apply: Send the following documents to **lenka.stastna@fsv.cuni.cz**:

- CV
- motivation letter
- transcript of grades

Deadline for Applications: Monday, February 9th, 2026

We look forward to receiving your applications!
