15.4.2026 - | Her Majesty's Revenue and Customs

A comparison of independent forecasts for the UK economy in April 2026.

Forecasts for the UK economy is a monthly comparison of independent forecasts.

Please note that this is a summary of published material reflecting the views of the forecasting organisations themselves and does not in any way provide new information on the Treasury's own views. It contains only a selection of forecasters, which is subject to review.

No significance should be attached to the inclusion or exclusion of any particular forecasting organisation. HM Treasury accepts no responsibility for the accuracy of material published in this comparison.

This month's edition of the forecast comparison contains short-term forecasts for 2026 and 2027, and financial year 2025-26 and 2026-27, as well as medium-term forecasts from 2026 to 2030, and financial year 2025-26 to 2029-30.
