

Notice of Chief Regulator's Rebuke: WJEC CBAC Ltd

22.4.2026 - | Her Majesty's Revenue and Customs

This notice issues WJEC with a formal rebuke from Ofqual's Chief Regulator, following a determination that it has failed to comply with its conditions of recognition.

A Chief Regulator's Rebuke has been issued to exam board WJEC CBAC Ltd (WJEC), for serious failures concerning 4 of its Eduqas GCSE, AS and A level qualifications between 2019 and 2025.

This action is taken under Ofqual's Supporting Compliance and Taking Regulatory Action policy as a non-statutory enforcement response, where the seriousness of the failings requires a formal public outcome but the circumstances do not warrant a financial penalty.
