

Tackle your to-do list with new features in our Google AI plans.

9.9.2026 - Vikas Kansal | Google Italia

With summer coming to an end, check out the latest updates to our Google AI plans to help you tackle your to-do list and get things done:

- Use your voice in Gmail, Docs, and Keep to draft documents, find information in your inbox, and capture thoughts quickly. (available with AI Plus, Pro, and Ultra in Gmail and Keep; AI Pro and Ultra in Docs)
- Try Google Pics in Google Workspace to design posters, produce social media posts, or edit digital illustrations. (available with AI Pro and Ultra)
- Use Sheets canvas to turn your spreadsheets into custom, interactive "mini-apps" with a simple prompt. (available with AI Pro and Ultra)
- Ask Gemini for help and Gemini Spark — now connected with Google Chrome and Google Photos — will handle web errands, edit photos, or curate albums for you. (available with AI Pro and Ultra in the U.S.)
- Eligible college students around the world can get one year of a Google AI plan free of charge.
