

ČTÚ zřídil poradní panel k DSA a svolal první zasedání

22.4.2025 - Tereza Meravá | Český telekomunikační úřad

Prague, 16 April 2025 - The Advisory Panel is a professional platform that will provide CTU with expert support and consultation for the effective performance of its supervisory activities on the market of intermediary services in the Czech Republic. Its establishment contributes to the fulfilment of the objectives of the DSA Regulation - to ensure the proper functioning of the single market, to maintain a safe online environment and to protect the fundamental rights of users, including children.

The first meeting of the panel took place on 16 April 2025. Agenda of the initial meeting included mutual introductions of the members of the panel, presentation of the CTU's planned activities and discussion on these, especially on the issue of assessment of criteria for granting certification under Articles 21, 22 and 40 of the DSA Regulation, measures to protect minors online and the implementation of age verification system. Systemic risks related to electoral processes were also discussed. The statutes, rules of procedure and the complete list of members are published on the website: <https://ctu.gov.cz/en/dsa-advisory-panel>
