

Consented addresses for childminders and domestic childcare

15.4.2026 - | Her Majesty's Revenue and Customs

This report details the names and addresses for childminders and childcare on domestic premises, where the provider has consented for their name and address to be published on the Ofsted inspection report website.

This report is updated and overwritten every quarter, as childcarers can withdraw their consent for name and address publication at any time. The report shows the names and addresses that were available on the Ofsted inspection report website as at the date indicated.

For more information on childcare providers and inspections, please visit our early years and childcare statistics collection page.
