

Generative AI in animals in science: letter to Lord Hanson

9.3.2026 - | Her Majesty's Revenue and Customs

The Chair of the Animals in Science Committee has written to Lord Hanson about the use of artificial intelligence in animals in science.

The Chair of the Animals in Science Committee (ASC), Dr Sally Robinson, wrote to Lord Hanson on 27 February 2026 regarding the opportunities and risks of using generative AI in licensing, ethical oversight, analysis and insights for animals in science.
