

PRESS RELEASE: Development criteria for nationwide DAB+ networks were met

10.9.2025 - Tereza Meravá Spokesperson | Český telekomunikační úřad

The DAB+ frequency auction was held at the turn of 2023 and 2024 and concluded successfully.

All available block allocations were sold, and decisions on granting them were issued in January and February 2024. The total price for all auction blocks amounted to CZK 79,325,000. Full auction results are available in the press release titled "CTU has granted all block allocations for DAB" on the CTU website; information on the launch of the auction can be found in the press release titled "DAB+ radio frequencies now in auction".
