

Joint Statement of G7 Foreign Ministers on Iran

27.3.2026 - | Her Majesty's Revenue and Customs

A joint statement of G7 Foreign Ministers following the G7 Foreign Ministerial Meeting in Vaux-de-Cernay.

We, the G7 Foreign Ministers of Canada, France, Germany, Italy, Japan, the United Kingdom, and the United States of America, and the High Representative of the European Union, met under France's G7 Presidency, at Abbaye des Vaux-de-Cernay, France from March 26 to 27, 2026.

We discussed the situation in Iran and the region.

We underscored the importance of minimising the impact of the conflict on regional partners and civilian populations, critical infrastructure - and the need to coordinate humanitarian aid efforts.

We call upon an immediate cessation of attacks against civilians and civilian infrastructures. There can be no justification for the deliberate targeting of civilians in situations of armed conflict as well as attacks on diplomatic facilities.

We focused on the value of diverse partnerships, coordination, and supporting initiatives, including to mitigate global economic shocks such as disruptions to economic, energy, fertiliser and commercial supply chains, which have direct impacts on our citizens.

We reiterated the absolute necessity to permanently restore safe and toll free freedom of navigation in the Strait of Hormuz, consistent with UNSC Resolution 2817 and the Law of the Sea.
