

Trade Specialised Committee on Goods

21.4.2026 - | Her Majesty's Revenue and Customs

The Specialised Committee monitors the implementation and functioning of the Goods market access and national treatment chapter of the Trade and Cooperation Agreement.

The Trade Specialised Committee on Goods is a joint forum for discussion of Goods market access issues between the UK and the EU. The Specialised Committee addresses matters covered by Chapter 1 of the Trade in Goods Title of the UK to EU Trade and Cooperation Agreement. Its role is mandated by Article 8 of the TCA, and shall meet at least once a year.
