

Workshop on Gallium Oxide and Related Materials (WGORM 2026)

1.9.2026 - | Université de Versailles Saint-Quentin-en-Yvelines

The Workshop on Gallium Oxide and Related Materials will take place in Paris on September 24 -25, 2026. The aim of this event is to bring together the French scientific community involved in Ga₂O₃ research. There will be only oral presentations majorly by students and young researchers.
